August - 2024

THIS MONTH'S HIGHLIGHT:

- **AACSB INFORMATIVE SESSIONS WITHIN DEPARTMENTS;**

Internationalization at home

12th of August

- **International Youth Day**

Today we are celebrating the [#International](#) [#Youth](#) [#Day](#), an awareness day designated by the United Nations that takes place on August 12, representing a special occasion dedicated to celebrating the vital role of young people in society and recognising their contributions to development. It's a day to acknowledge their potential and achievements while also addressing the challenges they face.

The theme for International Youth Day 2024 is "From Clicks to Progress: Youth Digital Pathways for Sustainable Development." This theme highlights the key connection between digitalization and accelerating the progress of the Sustainable Development Goals (SDGs), emphasizing the crucial contributions of young people in this transformative process.

21st of August

- **Welcome Her Excellency Mrs. Laura Popescu, Ambassador of Romania to the United Kingdom**

Today we had the great pleasure to welcome Her Excellency Mrs. Laura Popescu, Ambassador of Romania to the United Kingdom, to our University.

On this occasion, Mr. Prof. Constantin Marius Profireoiu, Vice Rector for International Relations, discussed with Mrs. Ambassador the ways to develop academic relations between ASE and prestigious universities in the UK, and explored the mechanisms to ensure the necessary support from the Ambassador for the creation of the network of international alumni of our university in the UK.

23rd of August

- **International Conference on Information Tehnology and Quantitative Management-ITQM 2024**

Today, the **International Conference on Information Technology and Quantitative Management-ITQM 2024** started in the Aula Magna of our University. The conference is organized by the Romanian Academy, ASE Bucharest, and the International Academy of Information Technology and Quantitative Management (IAITQM). ITQM is one of the most important scientific events in information technology, with traditional and international coverage. It is now in its 11th edition, representing a global forum for exchanging research findings and case studies that bridge the latest information technology and quantitative management techniques.

In 1999, the United Nations General Assembly endorsed the recommendation by the World Conference of Ministers of Youth (Lisbon, 8-12 August 1998) that 12 August be declared International Youth Day . Over the last two decades, the annual International Youth Day celebrations have covered a wide array of themes relevant to young people, from food security and mental health to intergenerational solidarity and green skills, highlighting critical connections between youth and sustainable development. International Youth Day 2024 is themed “From Clicks to Progress: Youth Digital Pathways for Sustainable Development”.
